

Ss Peter and Paul Catholic Primary School

School Performance Data Summer 2026

We are extremely proud of our achievement in 2026 during all the national assessments. All the children have made excellent progress, and we are very proud of them all. Below are details of our school performance with comparisons to the national average (please note that some national averages have not been released yet for this year; where this is the case, we have included the 2025 averages).
